

Hello all,

Shelbyfest last year was a tremendous success. It reached beyond my wildest expectations. We had 26 new Shelbys come together for a day of friendship and fun in a city known for its rich wine heritage and beautiful scenery.

This year is shaping up to be just as momentous. We are expecting close to 100 new Shelbys as well as vintage Shelbys, AC Cobras, and a large crowd of vintage and late model mustangs that want to come see what the ruckus is all about.

Friday night will officially kick off the event with a gathering of car owners in the parking lot of the Baymont Inn in O'Fallon Illinois, where many of our traveling show attendees are staying that night. From the parking lot at the Baymont, we will be cruising to Fastlane Classic cars where we can drool over their fine inventory and peruse their huge gift shop. Once we leave Fastlane, we will cruise about 5 miles up the road to a legendary local cruise/dinner spot called Chuck A Burger where we can proudly display our cars and fill up on some fine grub.

Saturday is when the real fun begins. Mickey Holmes from St Louis will be coordinating the caravan to Hermann so we can record the trip with photo and video cameras. I will be in Hermann at 8am and the Shelby Show Off officially begins at 9am with all of the cars hopefully showing up by noon at the latest.

R&A Motorsports will be on hand with their new Twister Special mustangs. Jeff Yergovich and gang will also be taping a segment for their Total Ford Performance radio show and webcast right there at the dealership with guests to be announced. Mother's Car Care products will have a representative on hand as will Ford.

Concessions will be offered by the Little Dixie Shrine Club Motor Patrol, who did an awesome job last year with burgers, blooming onions, potato wedges, and brats that are made right there in Hermann. There will be shade canopies available for folks to get out of the hopefully sunny day.

Registration will be \$20, which will help in covering costs like name badges, lanyards, and dash info cards. There will be no judged categories but there will be plenty of opportunities to land some cool stuff that has been donated by many generous vendors.

We will be working towards two charity causes. One being the Rhineland ball field fund, which will help a local Hermann community, raise money to refurbish their local baseball field. The other is a cause that is close to some of our hearts. Bryan Oesterreich, a Team Shelby member (that goes by RufDraft) from North Carolina, and his wife Christine, are struggling under a mountain of medical bills incurred due to Christine's severe MS. One of our 50/50 drawings as well as

proceeds from the dyno pulls and other proceeds generated will go to Bryan and his wife to pay on their medical bills. By the way, I have not yet shared with Bryan that we're doing this for them and I would love to keep it a secret.

After the show, those who register will be welcomed to our catered meal, where we'll be serving steak and all the trimmings including dessert and beverages. Alcoholic beverages are allowed on a BYOB basis and we will have transport to the local C-stores so everyone can grab the beverage of their choice and have access to lots of coolers to keep them cold. The meal will be held at Hermann's Riverview Park providing us with a view of the Missouri River and positioning us to see the evening's fireworks display generously provided by George Hensley, one of our fellow Shelby owners. Please bring your folding chairs.

Please fill out the registration form and get them back to me no later than April 1st.

I'm sure that everyone that comes to Shelbyfest 2008 will leave with many new friendships that will last for a long time to come.

My cel phone coverage in Hermann is minimal at best so I would encourage you to contact Hermann Ford at 573-486-3113 event day if you need anything.

Thanks to all,

Kyle Caraway
